

REQUEST FOR INFORMATION – CHARTERERS TO OPERATE SRILANKAN CARGO'S CHARTER OPERATIONS

SriLankan Cargo, the cargo arm of Sri Lanka's National Carrier, SriLankan Airlines Limited, provides customers a fast and reliable service, connecting cargo to a global network of 34 destinations in 21 countries. Our extensive partner network, expands our reach, to serve over 200 destinations, worldwide. SriLankan Cargo is looking for charterers who will be capable of providing aircrafts to facilitate charter operations.

REQUIREMENTS :

- Experience in operating charterers across the globe. Relevant experience of Group/Parent Company may be considered which will be the sole discretion of SriLankan Cargo.
- Capability of providing required aircraft and crew to handle the charter in short notice (Within two to three days).
- Obtain required approvals from relevant authorities to operate the charter.

Capability of providing own aircrafts for the requirement would be an added advantage.

All applications should be in English.

Interested parties may provide details about the company through the template provided.

A duly signed completed application along with the attachments should be emailed on or before 12th of September, 1000 hrs (Sri Lanka local time).
